Summer Term 1 2022-23

Welcome back to a new term at Wingfield! We hope you had a restful Easter break and are ready for another busy 6 weeks.

The Compass Curriculum

This term, we will be focussing on the following subjects: Art, Computing, French, Geography, Music, PE, PSHE and RE. The Compass Curriculum was **designed** and **created** by teachers across the multi-academy trust. All subjects will now be taught **discretely**, meaning there will be **no more** Units of Learning or end goals. Please speak to your child's class teacher if you would like more information around this.

Value of the Month

This term, we will explore the values of **trust** and **cooperation**.

PE days

3JD – Monday

3LG – Tuesday

3SS – Wednesday

Please note that PE days for 3SS and 3LG have changed. Please ensure your child's PE kit is suitable for the **warmer** weather as PE will occur outside when possible this term. Please ensure all parts of the kit are **labelled**.

Home time

Continuing from last term, please ensure that you are arriving promptly at **3:30pm** to collect your child from the playground. If somebody different is collecting your child, it is **essential** you notify the office **and** your child's class teacher in advance. If we have not been advised about a change in pick up, we will **not** allow your child to leave until we have spoken to you directly. Parents who are late to pick up their child regularly may be **fined**.

Uniform

Please label **all** items of your child's school uniform. Please remember that children should be wearing a school jumper/cardigan that has the **school logo** on it. Children are **only** permitted to wear **black** school shoes or trainers; boots are not allowed. Please ensure your child takes their **earrings** out before school, as they are **not** permitted due to health and safety regulations.

Weather

As we move towards the summer, please ensure your children are dressed appropriately. During the summer months, you may wish to send your child to school with a sun hat. Sun cream should be applied before school. As always, please ensure **all** items of your **child's uniform** is clearly labelled with their **name** – this will allow lost items to be found swiftly.

The Water Cycle

This term, our **geography** focus will be **London** and The **River Thames**. We will be learning about how the **River Thames** has affected the surrounding human geography. We will be learning to identify different **geographical features** of the **River Thames**.

Times Tables

At the end of year 4, your child will be sitting a statutory Multiplication Tables Checker. To prepare your child for this, we have begun practising regularly in year 3. Please support your child at home, by allowing them to log into their **Times Table Rockstars** account, as well as practising **mock tests** on www.mathsframe.co.uk and searching for "Multiplication Tables Check." Please speak to your child's teacher for more information.

We cannot believe that we are already in the summer term! Thank you for your support so far, and we are looking forward to lots of successful learning outcomes from the children over the next 6 weeks.

Mr. Delaney, Mrs. Greenbank and Ms. Sladden
