2022-2023

**WINGFIELD**  
PRIMARY SCHOOL

## Welcome back!

Welcome back to another exciting term at Wingfield! We hope you have had a restful and enjoyable Easter holiday. We are looking forward to starting the Summer term. We have got lots of exciting learning planned!

## Learning

In science, we will be focusing on **Plants** this half term. We will learn the key parts of a flowering plant and grow our own bean plant. In **RE**, we are learning about how Shabbat is celebrated and why it is important to Jewish people. We will be studying the UK in **Geography** and locating key countries and cities on a map and comparing towns with more rural locations. Our **Art** topic is sculpture and mark making, we plan to construct a sculpture of the cutty sark.

## English and Maths

At Wingfield, we love to read! This term, we will read a range of exciting texts: Jack and the Beanstalk, The Enormous Turnip, The Extraordinary Gardener and will write in response to a video stimulus. We will use these texts to write for different purposes such as narrative, writing alternative versions of familiar stories and an information text.

In Maths, we will learn to count in 5s and 10s as well as cover topics of money and place value of numbers to 100. Children will learn to make amounts of money with coins and compare and order 2-digit numbers. We will also set up a 'shop' for the children to apply their maths skills in a fun and engaging scenario.

## Uniform

Please **label all items** of clothing clearly with your child's name to enable us to return lost property to the correct individual. Please remember earrings are **not permitted** at school. Children wearing earrings to school will be asked to remove them. As the weather warms up, please ensure children have a hat to protect them from the sun and apply sun cream before children come to school if necessary.

## Physical Education

### PE Lessons are Monday – 1HP, Tuesday 1DS and Wednesday 1EB

On PE days, pupils will be expected to attend school dressed in their P.E. kit for the whole day – normal school uniform is not required on these days. As such, children should not need to keep their P.E. kit in school during the week.

- white top
- black jogging trousers or shorts
- school jumper or black sweatshirt (no hoods)
- sensible running trainers/plimssoles

## Home Learning

Thank you to all that have been regularly completing home learning. Please continue to support your child's learning by listening to your child read every evening and spend time discussing what the book is about. Please record your child's reading in their journal every night – the name of the book and a signature is fine.

Spellings and maths home learning will continue to be sent home weekly via Showbie and we encourage you to do this together with your child as this is a great way for them to tell you all about their fantastic learning in school.

We are very much looking forward to the wonderful learning that will take place this term. As always, if you have any questions or concerns, please don't hesitate to speak to us.

Mrs Park, Ms Sully, Miss Byrne
