Summer Term 2 2022-23

Welcome back to the final term of the academic year. We hope you rested well over the May half term and that the children are ready for a busy Summer 2 term!

The Compass Curriculum

This term, we will be focussing on the following subjects: DT, Computing, French, History, Music, PE, PSHE and RE. The Compass Curriculum was **designed** and **created** by teachers across the multi-academy trust. All subjects will now be taught **discretely**, meaning there will be **no more** Units of Learning or end goals. Please speak to your child's class teacher if you would like more information around this.

Value of the Month

This term, we will explore the value of **trust**.

PE days

3JD – Monday
3LG – Tuesday
3SS – Monday

Please ensure your child's PE kit is suitable for the **warmer weather** that is inevitable this term. All items of PE kit should be **labelled** with your child's name.

Sports Day

This year, we are having **Sports Day** at **Sutcliffe Park Racetrack** on **Friday 16th June**. For the day, your child will need to be suitably dressed in their PE kit (it is predicted to be quite hot!) and a t-shirt of their team colour which they will find out prior to the event. Please provide your child with plenty of **drinking water**. If your child requires **sun cream**, please apply this before they arrive to school. Parents and carers are welcome to join us for part of the day. Speak to your child's class teacher for more information.

Uniform

Please label **all** items of your child's school uniform. Please remember that children should be wearing a school jumper/cardigan that has the **school logo** on it. Children are **only** permitted to wear **black** school shoes or trainers; boots are not allowed. Please ensure your child takes their **earrings** out before school, as they are **not** permitted due to health and safety regulations.

Weather

As we continue to experience warm weather, please ensure **all** items of your **child's uniform** is clearly labelled with their **name** – this will allow lost items to be found quicker. If you would like your child to wear **sun cream**, please apply this before school. They may bring the sun cream to school but will have to apply it themselves. Please ensure your child is bringing a **water bottle** to school each day. **Sun hats** are encouraged also.

Key dates:

- Friday 16th June: KS2 Sports Day
- Monday 19th June: 3JD NMM trip
- Wednesday 19th July: Last day of term

Times Tables

At the end of year 4, your child will be sitting a statutory Multiplication Tables Checker. To prepare your child for this, we have begun practising regularly in year 3. Please support your child at home, by allowing them to log into their **Times Table Rockstars** account, as well as practising **mock tests** on www.mathsframe.co.uk and searching for "Multiplication Tables Check." Please speak to your child's teacher for more information.

We would like to thank you all so much for your support this academic year; your children have been phenomenal to teach and we wish them the best of luck as they embark on their Year 4 journeys in September. You have been a wonderful set of parents and carers and we hope you have a wonderful summer break and hopefully see you in the new term.

Mr. Delaney, Mrs. Greenbank and Ms. Sladden
