

Dear parents/carers,

We have had another fantastic week, including our KS1 sports day and the Year 5 visit to the French Institute. A reminder about the continuing hot weather – please apply sun cream to children before school and ensure they have a water bottle and a sun hat. Wishing you all a wonderful weekend -

Ross Silcock and Wanda

Some highlights from our school this week:

Year 6 have been continuing with their rehearsals for 'Oliver!'

Year 5 really enjoyed their trip to the French institution.

Year 4 have been learning about how to plot coordinates. They have also been writing non-chronological reports about jobs in the Arctic.

Year 3 have been growing their own plants as part of a science investigation. They have also been writing recipes based on the food that was offered in the different classes on Titanic.

Year 2 have been learning about the column method in mathematics. In science, they have been learning about microhabitats.

Year 1 have been debugging algorithms using the BeeBots. They thoroughly enjoyed Sports Day.

Reception have been learning about deep sea creatures. They have also been enjoying Forest School.

Nursery have been heavy and light objects. They have also been reading 'Tiddler' by Julia Donaldson.

A few messages from the school

- Should any parents/ carers have any regular spare time free and would be willing to volunteer to read with the children, please do get in touch with the school office.

- As we are approaching the summer months, the temperatures are beginning to increase. Please ensure your child is protected in the sun by bringing into school a cap or sun hat, a water bottle and is wearing protective sun lotion.

- The new EYFS Sports Day has been rearranged for 4th July. More information regarding this event will be sent out to parents.

- The school will now be offering the children a deli option as part of their lunches on Tuesday, Wednesday and Thursday this week. This will include either a cheese or a ham sandwich with salad and the dessert of the day.

Word of the week: exhibit

Definition: publicly display something

Context: he exhibited a great idea
