

Nursery Newsletter

Autumn 2 2023 - 24

Welcome back Nursery!

We hope that you had a restful break and the children are ready for another fantastic term at Wingfield! We have many exciting learning opportunities for your child this term and are looking forward to exploring our new topic with them!

Our termly topic is:

Our topic this term is **Winter Lights**.

We will be reading different stories that focus on differences between night and day, such as, Peace at Last, Funny Bones and Owl Babies. We will also be learning about the festivals Diwali, firework night and Christmas and we will be exploring how these festivals are celebrated.

Anti-Bullying:

Getting dressed:
As the weather gets colder and we begin Forest School we will be focusing a lot on children getting dressed on their own. It would be very helpful if families could also encourage their children to get dressed and put on their coats and shoes independently at home.

This term we will be exploring a story called 'The DaisyChain' in this story we will review and discuss themes of being kind and thoughtful and we will be making chains and dressing up with odd socks! Look out for photos of all the fun we will be having on tapestry! And watch this space for further details on dress up day!

Forest School:

This term we will be starting Forest School! It will take place every Thursday or Friday and children will need to bring in a pair of wellies with their name in them. We will provide a set of overalls to protect their uniforms and coats. Look out for photos of all the fun we will be having on tapestry!

Request for natural materials and boxes:

In Nursery we use natural materials for lots of our activities such as counting, patterns or just talking about the natural world. If your child finds any conkers, pinecones or similar items we would love some extra items to have in class. We also always appreciate cardboard boxes, egg boxes and kitchen roll tubes for our junk modelling too.

Tapestry:

It has been wonderful to see so many parents contributing to and accessing your child's tapestry profiles! It is great to see observations of the fun activities that your child has been doing at home – please keep them coming!

If you have not yet joined Tapestry or need any help with accessing Tapestry, please email wfeys@wingfield.compassps.uk.

Thank you for your continued support.

Miss Hardy, Mrs Borthwick and Mr Kelly.
