Summer 2 2023 - 2024

Welcome back to Summer 2! We hope that you had a restful break and the children are ready for another term of fantastic learning!

Learning this term:

This term in **Maths**, we will continue to consolidate our learning around the four operation and strategies including column method, grid method and the bus stop method. Later on in the term, we will be looking at fractions and money. In **English**, we will be using a variety of texts as a stimulus to our learning. We will be focusing on the texts The Iron Man and non-fiction texts. We will be using these texts to support our writing outcomes which will be a non-chronological report, instructions and a narrative. In **History** we will be studying Maritime Greenwich and the history that surrounds the area. In **R.E.**, we will be continuing our learning on Buddhism. In **science**, we will be exploring the topic of plants and learning to name and describe the key parts of plants. Our **Art** focus this term will be Picasso and the study of sculpture. We will be using clay to create abstract portraits. In **PSHE**, we will be focusing on how sleep and activity is good for our bodies and minds.

Uniform

Please ensure your child wears full school uniform to school each day. This includes a grey Wingfield jumper or cardigan (with school logo), a white polo shirt and a grey skirt, dress, shorts or trousers. Children should wear plain black shoes or trainers. Please support us by also ensuring that your child does not wear jewellery – this includes stud earrings.

As the weather is getting warmer, please ensure your child has a labelled water bottle and labelled hat.

Please label all items of clothing with your child's name to enable us to return any lost property to the correct child.
