

Thanks to your overwhelming generosity and support, our Christmas Fair was a resounding success. We raised an incredible £1,767.18 which we will be using to buy books to support the wider curriculum across the school.

We would like to thank everyone who played their part in supporting this event, through donations of gifts, prizes, and time, buying raffle tickets, and attending on the day.

There are a few people who deserve a special mention:

Thank you to [Devika James Audiology](#) for donating our top raffle prizes.

Thank you to the nursery parents who donated the entire proceeds of their wonderful cake stall (£122.17)!

Thank you to Mr & Mrs Demir who shared the profits from their delicious food stall.

Thank you to Father Christmas and his helpers for taking the time out of their busy schedule to hand out gifts and pose for photos.

Finally, Dr Silcock would like to say a special thank you to Miss Edgar and everyone who purchased from her stall in support of the Rays of Sunshine Charity. They raised £100! If anyone missed the chance to buy Miss Edgar's beautiful hand-made jewellery and keyrings, they are available to buy in our main reception for a minimum donation of £3.00, all proceeds will go to [Rays of Sunshine](#).

We hope you have a wonderful Christmas Break.
