Dear parents and carers,

As you will be aware, school is closed for half term next week. We hope you have a lovely break and look forward to seeing the children back in school on Monday 24th of February for the second half of our spring term.

We have been advised by Berkely Homes that they will be carrying out two water connections during the half term break. One at the junction of Handley Drive and Ensign Street, and one in Ensign Street opposite the school entrance. They expect the excavation work to be completed next week, but there will be further testing, connections and reinstatement work until the end of March. Please be aware that during this time these areas will be suitably protected and an appropriate traffic management scheme in place, to ensure the safety of the public is maintained.

Below you will find some important dates for your diary for next half term, and the link to check the term dates for this academic year.
