Autumn 1 2025-26

WINGFIELD
PRIMARY SCHOOL

Welcome back! We hope that you had a restful summer holiday and the children are ready for a new term of fantastic learning!

Learning this term:

In **English**, we will be focusing on our whole project **The Secret Garden**. We will use the story to write a variety of learning outcomes, with a particular focus on the characters' feelings and emotions when they are inside the garden. As part of our project this term, we will also be going on a school trip to Manor House Gardens. In **Maths**, we will be learning and recapping place value. We will learn about rounding numbers to the nearest 10 and 100. Towards the end of the term, we will begin addition and subtraction with 2- and 3-digit numbers. In **Geography**, we will explore cities in the UK, researching these cities and locating them on a map of the UK. We will also learn about rural and urban areas. We will explore and identify different human and physical features in both areas.

In Year 3, the children will begin to learn **French**. This term we will be learning basic French phrases and practice having a conversation with those phrases.

Social Media

Make sure to look at the school's Instagram page [@wingfieldprimarschool](#) where we will share all of our amazing learning.

Uniform

Please ensure your child wears full school uniform to school each day. This includes a grey Wingfield jumper or cardigan (with school logo), a white polo shirt and a grey skirt, dress, shorts or trousers. Children should wear plain black shoes or trainers. Please support us by also ensuring that your child does not wear jewellery – this includes stud earrings.

Please label all items of clothing with your child's name to enable us to return any lost property to the correct child.

Home Learning

Reading:

Please support your child in developing their reading fluency, understanding of vocabulary and love for reading by reading regularly with them at home. Your child is expected to read at home each day. Please record their reading in their **Home Learning Journal daily** and ensure it is brought in weekly. Children can choose books from the school library or book areas in their classrooms to take home to read.

Maths and Spellings:

Your child will receive weekly mental maths and problem-solving challenges. Please support them to practise and complete these on time. Your child will also receive weekly spellings and 'Talk Words' to practise each week. Please also encourage your child to regularly practise cursive handwriting of their spelling words at home.

Homework will be available on Showbie each Friday evening and will be expected to be completed by the following Friday by 8 am.

**Thank you for your continued support,
Miss Hudson, Miss Gomez and Mr Mitakos**

School Trip

Monday 22nd September is the day of our trip to Manor House Gardens. If you would like to support on the trip, please talk to your child's teacher. There will be more information on the trip to follow in the next few weeks.
