

Reception Newsletter

Summer 2 2025-2026

We hope that you all had a great half term! We can't quite believe that this will be your child's last term in Reception! The time has flown by! We are looking forward to reflecting on the amazing year the children have had!

Our topic this term is:

Rhythms and Rainbows

For our topic this term we will be learning about different types of music from around the world. We will think about how the music makes us feel and will visit the music room in the school to make our own music! We will also be learning about famous artists from different cultures and will be creating our own art masterpieces! To support our learning this term, we will be reading the stories 'Katie and the Sunflowers' and 'Rainbow Fish'.

Literacy Learning

In Reception, this term we will be writing about our hopes and dreams for Year One. We will be writing letters to our new teachers and will be telling them all about ourselves! We will also be writing about how different types of music makes us feel and will be composing our own song lyrics!

P.E. Sessions

Our P.E. sessions will continue this term. They will be on the following days.
Monday - RSM
Tuesday - RJD
Wednesday - RBP

Thank you!

We would just like to take this opportunity to thank you all for your continued support over the year! We have had the best year with the Reception children and are very proud of them and the achievements that they have made! We are looking forward to our last term with them!

Mr. Delaney, Mrs. Priest, Mrs. Borthwick and Miss McCallum 😊

Maths Learning

In Reception, this term we will be consolidating all of the maths knowledge and skills that we have learnt this year! We will be investigating odd and even numbers and will be seeing which amounts we can share out fairly. We will also be counting beyond 20 and ordering these numbers too!

Transition to Year One

In preparation for the children's transition into Year One, we thought you may like to know what we will be doing in school to support the children:

- We will be having weekly circle times to discuss the children's thoughts and feelings about Year One.
- We will be adapting our timetable slightly to introduce the children to activities such as assemblies.
- The children will be engaging in more independent based learning.

Please do not hesitate to speak to your child's class teacher if you have any concerns about your child transitioning into Year One.

Forest School

Forest School sessions start again this term. Please ensure that your child has a pair of wellington boots in school labelled with their name. Please also provide your child with a spare pair of socks. The days of Forest School sessions will vary each week, so wellies/socks in school is essential!

Sun Safety

As the weather is starting to become hotter, please can you ensure that you apply a long-lasting sunscreen to your child before they come to school and provide them with a sun hat! Thank you 😊
