16th June 2026

Dear Parents/Carers,

I am writing to let you know about an exciting assembly coming up on Wednesday 1st July. We are fortunate enough to be having a visitor coming in from the 'Dwarf Sports Association' (DSAuk), a charity supporting people with dwarfism of all ages to take part in sport. They use sport as a tool to break down barriers of difference within society, as well as to encourage and empower individuals. They organise monthly meetups across the UK and host World Games every four years. Their aim is to help people feel valued and recognise that they can go on to achieve anything in life, both within and beyond sport.

We feel this will be a very valuable opportunity for the children across the school to raise awareness and promote empowerment for all.

The charity is not charging the school for this visit. However, as they rely solely on donations to continue their important work, if you feel willing and able to make a contribution, we would be grateful. Please use the link below to donate directly to the charity. We thank you in advance for any support you are able to give.

Thank you for your continued support.

Yours sincerely,

Adam Wilson
