2nd September 2026

Dear Year 1 Parents and Carers,

A very warm welcome to Year 1! We hope you have all had a lovely summer and that your children are feeling excited about starting their new school year.

We are very much looking forward to welcoming the children and beginning this exciting new chapter together. We understand that moving from Reception into Year 1 is a big step, so we will be taking some time to help the children settle into their new routines and environment.

Morning Arrangements

Thursday is the first day back for the whole school. On Thursday, all teachers will be on the playground to welcome the children. Once the majority of the children in each class have arrived, the Year 1 team will bring the children into school together.

We will follow the same arrangement on Friday and Monday, with the Year 1 team greeting the children on the playground before bringing them into school.

From Tuesday onwards, the children will come into school independently and go straight to their classroom. This will support them in developing their confidence and independence and help them become familiar with the daily Year 1 routine.

We appreciate that some children may find this transition a little daunting at first. Please reassure your child that their teacher will be there to welcome and support them when they arrive in the classroom.

We are really looking forward to getting to know the children and supporting them as they settle into Year 1. Thank you for your continued support in helping your child develop their confidence and independence.

Kind regards,

The Year 1 Team
