Executive Headteacher: Ross Silcock

Headteacher: Adam Wilson

Dear Parents/Carers,

During your child's first term in Reception, they will be taking part in a statutory national assessment that is administered in all primary, infant and first schools in England.

As part of the assessment each child will complete short practical tasks that focus on their early literacy, communication, language and mathematics skills. Your child's class teacher or teaching assistant will carry out the assessment one-to-one with each child. It does not require any preparation at home or at school. Each pupil's personal information is stored safely and securely and in line with data protection regulations.

The overall purpose of the assessment is to provide schools with a snapshot of where pupils are at when they arrive at school, establishing a new starting point to measure the progress that they have made by the end of Year 6. It will also help us to understand what our pupils can do at the beginning of their time in Reception.

Once the assessments are complete, your child's class teacher will receive a brief outline of what your child was able to complete in the assessment. If you would like to receive a copy of this report please let us know by emailing wfeyfs@wingfield.compassps.uk.

If you have any questions or would like any further information about the Reception baseline assessment then please do get in touch with us via the school office or by emailing wfeyfs@wingfield.compassps.uk.

Thank you for your continued support.

Kind regards,

Miss Travers
EYFS Phase Leader
