Autumn 2 2026-27

WINGFIELD PRIMARY SCHOOL

Welcome back to Autumn 2!

We hope that you had a restful break and the children are ready for another term of fantastic learning!

Learning this term:

This term in **Maths**, we will continue to consolidate our learning around addition and subtraction. Later in the term, we will be looking at multiplication and division strategies and ways to solve different problems using these skills. In **English**, we will be using a variety of texts as a stimulus to our learning. We will be reading The Stone Age Boy and writing diary entries, as well as character descriptions about the BFG and poetry writing using the change of seasons as our stimulus. In **History**, we will be studying the Stone Age and Bronze Age and the impact that it had on Britain and the rest of the world. In **R.E.**, we will be looking at the religion of Judaism, focusing on the religion and the Synagogue. We will also be looking at what it means to be Jewish. In **Science**, we will be exploring the topic of Forces and Magnets. We will be looking at how magnets attract and repel. We will continue with our **DT** focus as we will be meeting a bridge engineer, bringing our bridges designs to life and then evaluating them. In **Computing**, we will be using Scratch Jr to create our own algorithms for purpose and to create a game. In **PSHE,** we will be focusing on health and safety and looking at how to stay safe at home and at school.

Social Media

Make sure to look at the school's Instagram page **@wingfieldprimaryschool** where we will share all of our amazing learning.

Uniform

Please ensure your child wears full school uniform to school each day. This includes a grey Wingfield jumper or cardigan (with school logo), a white polo shirt and a grey skirt, dress, shorts or trousers. Children should wear plain black shoes or trainers. Please support us by also ensuring that your child does not wear jewellery – this includes stud earrings.

Please label all items of clothing with your child's name to enable us to return any lost property to the correct child.

Home Learning

Reading:

Please support your child in developing their reading fluency, understanding of vocabulary and love for reading by reading regularly with them at home. Your child is expected to read at home each day. Please record their reading in their **Home Learning Journal daily** and ensure it is brought in weekly.

Maths and Spellings:

Your child will receive weekly mental maths and problem-solving challenges. Please support them to practise and complete these on time. Your child will also receive weekly spellings and 'Talk Words' to practise each week.
Please also encourage your child to regularly practise cursive handwriting of their spelling words at home.

Homework will be available on Showbie each Friday evening and will be expected to be completed by the following Friday by 9 am.

Thank you for your continued support,
Miss Gomez, Mrs Thea, Ms Hines & Miss Hudson
