Year Two Newsletter

Autumn 2 Term 2026-2027

WINGFIELD PRIMARY SCHOOL

Welcome back! We hope you had a wonderful half-term break and are looking forward to another fantastic term of learning ahead!

Curriculum

Here are some of the subjects we will be covering this half term:

In **Geography**, we will be learning about continents, oceans and the UK. As well as naming the continents and oceans, we will explore the human and physical features of different geographical locations. We will also learn about the four countries of the UK and their capital cities.

In **DT**, we will be focusing on Healthy Food and Living. We will be tasting and preparing different fruits and vegetables to make healthy salads. We may need your support in providing some fruit and vegetables, and we will be in touch with further information soon.

In **Science**, we will continue our topic of Animals, Including Humans. We will investigate how exercise affects our bodies and explore why keeping active is important for our health and wellbeing.

Nativity and Christmas Trip

This half term, we will be busy rehearsing for our Nativity performance!

Our Nativity performances will take place on **10th and 11th December**. Further information will be shared with you nearer the time.

Please keep an eye on Showbie, as we may share song lyrics and lines for the children to practise at home. Your support with practising will be greatly appreciated!

Year 2 will also be going on a **Christmas Journey trip to St James' Church in Kidbrooke on Thursday, 26th November**. If you are available and would like to volunteer to support us on the trip, please let your child's class teacher know.

Physical Education

On **PE days**, children are expected to come to school wearing their PE kit for the whole day. Normal school uniform is not required on these days.

The school PE kit consists of:

- A white T-shirt
- Black jogging bottoms or shorts
- A school jumper or plain black sweatshirt (no hoods)
- Suitable trainers or plimsolls for physical activity

PE Days

2HR Monday & Tuesday
2HP Monday & Friday
2LT Wednesday & Thursday

Uniform

Please ensure that **all items of clothing are clearly labelled with your child's name** so that any lost property can be returned to its rightful owner. Please remember that **earrings are not permitted in school**. Children wearing earrings will be asked to remove them. As the weather gets colder, please also ensure that your child comes to school with a warm, waterproof coat. Please make sure this is clearly labelled with their name too.

Home Learning

Home Learning activities will continue to be set every Friday via your child's Showbie account. We have also uploaded some helpful learning resources, so please take a look! If you experience any difficulties accessing Showbie, please contact your child's class teacher for support.

Please continue to read with your child every day and record their reading in their Home Learning Journal. Regular reading at home makes a real difference to your child's progress and confidence as a reader!

Embers

At Wingfield, we use the Embers programme to support the teaching of PSHE. The Embers website also offers a range of valuable resources for parents, which we encourage you to explore. These provide helpful ways to revisit the themes covered in school, reinforce key messages and continue important conversations with your child at home.

Each week, we will share details of the topic being covered via Showbie, allowing you to access the relevant parent resources and further support your child's learning beyond the classroom.

We are really looking forward to all the exciting learning opportunities and experiences this term has in store! As always, if you have any questions or concerns, please do not hesitate to speak to us. We are always happy to help.

Miss Rayatt, Miss Thomas & Ms Park (KS1 Phase Leader)
