WINGFIELD PRIMARY SCHOOL

Welcome to Autumn 2!

I hope you all had a wonderful break! Now that you are back, it is time to gear up for another busy term of learning. In **English**, we have reading '*The Girl at the Front of the Clas's* and '*The Kindest Red'*. We will also be exploring **Wizard Words** (Tier 2 vocabulary), helping children to understand new language and use it to create richer, more detailed sentences in their speaking and writing. In **RE**, we will begin our learning about Christianity, exploring the journeys and events of the Nativity story. In **Maths**, we will continue our exploration of number and place value, while beginning to learn about new mathematical concepts and operations. In **Geography**, we will be exploring our local environment and investigating how Kidbrooke Village has changed and been redeveloped over recent years. In **Music**, we will be creating and recording our own ostinatos and practising a song that we will perform for parents at our Stay and Make.

Uniform

Please make sure that your child wears full school uniform every day. This should consist of a grey Wingfield jumper (displaying the Wingfield logo), a white polo shirt and grey trousers or a skirt. **Please ensure that all items of clothing are clearly labelled with your child's name** so that any lost property can be returned to the correct child. Jumpers and cardigans are available to purchase from the school office. Children should also wear black shoes. We kindly ask for your support in ensuring that children do not wear jewellery (including small stud earrings) or nail varnish.

Physical Education

1BP Tuesday & Friday

- school jumper or black sweatshirt (no hoods)

Home Learning

showbie

Thank you to everyone who has been regularly completing the Home Learning activities. Please continue to support your child's learning by listening to them read every evening and spending time discussing the book together. Remember to record your child's reading in their reading journal each night.
A paper copy of the weekly Home Learning activities will be sent home in your child's bag each week. These activities will also be available on Showbie. We encourage you to complete these activities with your child, as they provide a valuable opportunity for them to share and discuss their learning with you.

We are very much looking forward to the wonderful learning that will take place this year.
As always, if you have any questions or concerns, please don't hesitate to speak to us.
