Year 3 Newsletter

Autumn Term 1 2022-23

Welcome back to another jam-packed year at Wingfield! We hope you've all taken the time to rest and recuperate over the summer holidays and we look forward to seeing you all.

The Compass Curriculum

This academic year, Wingfield will be using the **Compass Curriculum** for the following subjects: Art Computing, French, Geography, History, Music, DT, PE, PSHE and RE. The curriculum was **designed** and **created** by teachers across the multi-academy trust. All subjects will now be taught **discretely**, meaning there will be **no more** Units of Learning or end goals. Please speak to your child's class teacher if you would like more information around this.

Value of the Month

This term, we will explore the values of **peace** and **tolerance**.

PE days

3JD – Monday 3LG – Wednesday 3SS – Tuesday

Please ensure your child's
PE kit is suitable for the
warm weather that is
inevitable this term. All items
of PE kit should be labelled
with your child's name.

Home time

As we begin a new school year, please ensure you introduce yourself and anybody who will be regularly collecting your child to the new teacher as soon as possible. Please ensure that you are arriving promptly at 3:30pm to collect your child from the playground. If somebody different is collecting your child, it is essential you notify the office and your child's class teacher in advance. If we have not been advised about a change in pick up, we will **not** allow your child to leave until we have spoken to you directly. Parents who are late to pick up their child regularly may be fined.

Uniform

Please label **all** items of your child's school uniform. Please remember that children should be wearing a school jumper/cardigan that has the **school logo** on it. Children are **only** permitted to wear **black** school shoes or trainers; boots are not allowed. Please ensure your child takes their **earrings** out before school, as they are **not** permitted due to health and safety regulations.

Weather

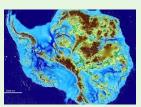

As the weather is still warm, we ask that you please label your child's jumper, as they will be more likely to remove it and missing jumpers can therefore be returned swiftly. Last academic year, we had a significant number of children who misplaced their jumpers. We also recommend that you provide your child with a water bottle – the children are able to refill these at any point during the day and are able to take them out onto the playground.

Whole School Project – Ernest Shackleton

We will begin this term with a whole school project focussing on the explorer **Ernest Shackleton**. The children will be learning about his expedition to **Antarctica**. In English, we will be using the text *South* to support our writing. We will be creating a fact file about Shackleton as well as retelling the story of his expedition.

Look out for displays of their published learning outside the year 3 classrooms.

We thank you in advance for your support this academic year; we hope it will be one to remember! Please speak to your child's class teacher about any questions or concerns you may have for the year ahead.

Mr. Delaney, Mrs. Greenbank and Ms. Sladden
