

# Year 4 Newsletter

Autumn 1 2022 - 2023

Wingfield  
PRIMARY SCHOOL

Welcome back to the new school year! We hope that you had a very restful summer holiday and the children are ready for a fantastic year of tremendous learning across the curriculum!

## Learning this term:

This term in **maths**, we will be revisiting place value as well as addition and subtraction. We will be looking at the value of 4-digit numbers. We will continue to build on the skills that we have previously learned in year 3. In **history**, we will be studying The Roman Empire and the impact that it had on Britain and the rest of the world. We will also be visiting The London Mithraeum. In **R.E.**, we will be looking at the religion of Hinduism and what life is like as a Hindu. In **science**, we will be learning about electricity. We will be focussing on circuits, conductors and insulators. Our **art** focus will be the artist Leonardo da Vinci and creating our own observational drawings.

## Social Media

Make sure to look at the school's Instagram page [@wingfieldprimarieschool](#) and Twitter page [@wingfieldschool](#) where we will share all of our amazing learning.

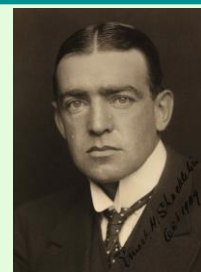

## Whole School Project: Ernest Shackleton

We begin this term with a whole school project focussing on explorer Ernest Shackleton.

The children will be learning about his expedition to Antarctica. In **English**, we will be using the text *South* to support our writing. We will be creating a fact file about Shackleton as well as retelling the story of his expedition.

Look out for displays of their published learning outside the year 4 classrooms.

## Uniform

Please ensure your child wears full school uniform to school each day. This includes a grey Wingfield jumper or cardigan (with school logo), a white polo shirt and a grey skirt, dress, shorts or trousers. Children should wear plain black shoes or trainers. Please support us by also ensuring that your child does not wear jewellery – this includes stud earrings.

**Please label all items of clothing with your child's name to enable us to return any lost property to the correct child.**

## Home Learning

### Reading:

Please support your child in developing their reading fluency, understanding of vocabulary and love for reading by reading regularly with them at home. Your child is expected to read at home each day. Please record their reading in their **Home Learning Journal daily** and ensure it is brought into school each day.

### Maths and Spellings:

Your child will receive weekly mental maths and problem-solving challenges. Please support them to practise and complete these on time. Your child will also receive weekly 'Spellings' and 'Talk Words' to practise each week. Please also encourage your child to regularly practise cursive handwriting of their spelling words at home.

**Homework will be available on Showbie each Friday evening and will be expected to be completed by the following Friday.**

Thank you for your support!  
**Miss Gomez & Miss Olaley**

## P.E. Lessons

**4JG – Monday & Tuesday**

**4KO – Due to swimming lessons this term, there will be no additional P.E lessons for 4KO.**

### PLEASE NOTE:

**On P.E days your child will be expected to wear their full P.E kit to school and will remain in their kit for the rest of the school day.**

### School P.E kit:

- Plain white t-shirt
- Plain black shorts, leggings or jogging bottoms (no sports logos)
- Plain black sweatshirt or school jumper (no hoodies)
- Comfortable running trainers or plimsols.

## Year 4 Multiplication Checker

In June next year, all Year 4 children will be taking a multiplication checker test. The purpose of the check is to determine whether pupils can fluently recall their times tables up to 12 x 12.

In preparation for the test, please encourage your child to regularly practise their times tables at home.
